Profile:

Adaptable professional with unique international experience in education and community leadership. Areas of expertise include flexible communication, team collaboration, logistics, and creative problem solving. Proven to be a decision maker, community connection point, and loyal contributor to an organization's overall success.

Professional Experience

2021- Current	Private Childcare Provider	Portland, Oregon
----------------------	-----------------------------------	-------------------------

- Worked with three families with very different needs and child ages to provide adaptable care routines
- Collaborated with parents to create individuated positive reinforcement plans for differing child needs
- Tailored communication to suit different parenting styles to give and receive effective feedback

2020-2021	Starbucks Barista	Portland, Oregon
------------------	--------------------------	-------------------------

Starbucks

- Maintained excellent customer service and beverage accuracy under time pressure and high customer volume
- Designed my workstations to be as efficient as possible and to facilitate effective multitasking
- Worked as part of a smooth and efficient team with coworkers, shift leads, and managers

2018- 2020	English Teacher	Seoul, Korea
-------------------	------------------------	---------------------

Gwanghee English Center

- Primary teacher for elementary after-school program; built positive relationships with students, families, and staff
- Planned and implemented curriculum requirements from the Korean Education Office; evaluated student learning
- Designed all flyers, handouts, posters, reward charts, and banners for events like spelling bees and holiday parties
- Created creative summer camp programs that prioritized learning through play in collaboration with coworkers

2019	Stage Manager	Seoul, Korea
-------------	----------------------	---------------------

The Collective Community Theater Group

- Led all logistics and organizational tasks and directed a team of assistant stage managers
- Collaborated and coordinated with the director, producer, actors and designers to facilitate a collective vision
- Primary point of contact for all problem solving

Internships and Community Involvement

Lead Coordinator for Queer in Korea Booth at Seoul Pride: Recruited and coordinated volunteers

Grant Writing Intern: Texoma Community Center in Sherman, TX- Secured \$5,000 for job training for IDD

Resident Assistant at Austin College – Promoted a sense of community in the residence halls, mentored and assisted approximately 20 Freshmen every year, and planned and implemented monthly event programming

Education
